

Master Students - English Programs

Introduction

Welcome to the registration and orientation guide for the Master Students - English Programs. This guide will provide you with all the necessary steps and information for completing your registration and starting your academic journey.

Registration Process

Please follow the registration procedure as outlined below.

1. First Registration (International Office):

After receiving the Final Acceptance Letter, the student needs to visit the International Office with the required documents:

- Passport
- Residence Permit Card (if available)
- 3 Photos
- Official Bachelor Diploma (with officially approved Turkish or English Translation)
- Official Bachelor Transcript (with officially approved Turkish or English Translation)
- Receipt of deposit payment

➤ IMPORTANT:

For the Clinical Pharmacy & Internal Medicine Nursing MSc Programs, the student must obtain a bachelor's degree in the same programs.

Candidates who have not graduated from a university in Turkey need to apply for university equivalency from YÖK and take the STS exam, achieving the score determined by YÖK.

Before coming for registration, the student must pay half of the program price to complete the registration. The remaining amount can be paid in two installments or on the same day for a 5% discount.

2. Final Registration (Student Affairs Office):

After completing the first step, submit files to the Student Affairs Office to obtain:

- Student Certificate
- Student Card
- Student Mail & Password

Contacting the Registration Office:

- Email: admission@fbu.edu.tr
- Phone: +90 549 832 57 82 / + 90 549 832 57 83

Program-Specific Guidance

Foreign Language Department:

-Program Introduction:

The English Language Department offers opportunities for students to develop their language skills of English language.

-Course Content:

Courses include grammar, writing, reading and speaking skills.

-Language Proficiency Exam:

Newly registered students are required to take a language proficiency exam to assess their English skills. Students who pass the exam are exempt from the preparatory class.
