

# Renewal of Registration

---

- **Registration Renewal Periods:**

Registration renewal is conducted at the beginning of each academic year. The dates are specified in the academic calendar.

- **Required Steps:**

Students must renew their registration by paying half program price and the rest will be paid within next 2 months, but this is before the 9th August, if not then 5% will be applied to the fee amount after that date.

- **Online Procedures:**

Registration renewal is done through the UNISIS system and course selection is done through OIS system.

First you should make the payment through UNISIS system and get your financial approval. Once you see that you have the approval, you can log in to OIS system for course selection.
