## INTERNATIONAL STUDENT ORIENTATION

### *Fenerbahçe University Brought Together Different Cultures with the International Student Orientation Day*

Fenerbahçe University brought together its new students from different countries on the International Student Orientation Day on October 13th, 2023. During the event, which took place in a colorful and enthusiastic atmosphere, new students had the opportunity to learn about the university and the campus, while also getting to know different cultures. The event started with the opening speech of Fenerbahçe University Vice Rector Prof. Dr. Ahmet Selamoğlu. In his

speech, Prof. Selamoğlu emphasized the internationalization goals of Fenerbahçe University and the importance it attaches to different cultures, welcomed the new students and wished them success in their university life.

After the opening speech, introductory presentations of the academic and administrative units of Fenerbahçe University took place. During the presentations, students were given

information about the university's education system, student clubs and social opportunities. One of the most enjoyable moments of the event was the "Village of Cultures", where students from different countries introduced their own cultures. Students created a pleasant conversation environment with other students by introducing their own cultures through foods, clothes and music unique to their countries.

# Visit of the Iraqi Delegation

*Fenerbahçe University Hosted the Delegation of the Ministry of Higher Education of the Republic of Iraq* 06/11/2023

The delegation of the Ministry of Higher Education of the Republic of Iraq visited Fenerbahçe University. During the visit, a detailed presentation was made about the academic achievements of Fenerbahçe University and the international recognition of the institution. During the meeting, opportunities for academic cooperation between FBU and the Ministry of Higher Education of the

Republic of Iraq were discussed. Exchange programs and educational opportunities offered especially for Iraqi students were discussed too.

As a result of the meetings held during the visit, an agreement was reached between the two sides to take concrete steps to develop future cooperation projects and strengthen existing relations.
